Ā Mātou Kōrero, Our Story

The Colville kaitiaki collected seaweed on the foreshore today. Filling our collection sacks means that we will be able to feed the compost bins and build up the soil health. In the kitchen today the chefs were making feijoa and apple crumble for our shared kai.

Ako, to teach and to learn

This week we have all learnt a lot about resilience, challenge and hard mahi. All of our tamariki crossed the finish line of the Colville Triathlon with a smile on their face and all of our tamariki challenged themselves to run, bike and swim. As a staff we have noticed the determination and focus the event has given our tamariki to practise skills and increase their fitness levels. We are looking to build on this

learning next term with our EOTC activities. Thank you to all the whānau who came to support.

PB4L

Weeks 9-11 PB4L Focus- Be Inclusive over the next couple of weeks we are focussing on being inclusive. We don't want anyone to feel excluded or left out at Colville School.

Impact of Changes to Vaccine Mandate and Red Level at Colville School from 11.59pm on 4.4.22

- No vaccinations required for volunteers
- Removal of any outdoor capacity limits
- Indoors capacity limits at Red, moving from 100 to 200 (but still allowing for one-metre spacing)
- No requirement to display QR codes at any setting
- Usual visitor register processes
- No mask requirements when outdoors (but masks remain a requirement indoors for staff and children/students in Years 4-13 when at Red)

We love questions at Colville School!
